### **NEVER GIVE UP!**

**I can't walk but I use a wheelchair. I can't use my hands but I can use my head to drive my wheelchair everywhere! I always wanted to go to work. I never gave up!**

**Now I go six blocks by wheelchair to work study on Mondays and Wednesdays at ABC Day Care Center. My job is to deliver supplies like paper towels, plastic knives, spoons and cups. I also deliver wipes, napkins, gloves, Pampers, and Pull-Ups. It's hard for me to talk so I use my Dynavox machine. I never give up. I ask the teachers how many supplies they need.**

**I know the names of all the classes and the numbers of the classrooms. I help my friends count the right number of papers for shredding.**

**I love to work because it makes me happy to help the teachers at ABC Day Care.**

**When I graduate, I want to have a real job. I want a job so I can help my mom buy food. I will never give up!**

**Dictated by Serigne Diop to Ms. Frances Delgado, Educational Associate and Ms. Phyllis Steeil, Teacher**
